Join us for a discussion of the fact that Latinos in the United States face disparities in a number of areas such as education, health, and income. One of the most long-standing areas is in the legal system. The purpose of this presentation is to canvass research findings that highlight psychological reasons for legal disparities for Latinos. Methods to end the disparities will be discussed.

Please, if you'd like a **free lunch**, **RSVP** via email at ethics@unl.edu by 1:00 pm, **March 30th**. Indicate dietary restrictions. Also, feel free to bring a lunch or just enjoy the conversation.
