Join us for a discussion about bystander interventions, which are proliferating on college campuses. This presentation will help audience members understand what these interventions are and what we currently know about their effectiveness in reducing sexual violence. We will also highlight important next steps for improving bystander interventions.

Please, if you'd like a **free lunch**, **RSVP** via email at ethics@unl.edu by 1:00 pm, **October 5th**. Indicate dietary restrictions. Also, feel free to bring a lunch or just enjoy the conversation.
