Antisemitism has been around for millennia but many in America thought that it, along with other forms of bigotry, was on the way out. Why is antisemitism resurgent today? How can we recognize it, even when it operates using coded language, as in discussions of the influence of globalists or George Soros? And what is the relationship between anti-Zionism and antisemitism?"

Please, if you'd like a **free lunch**, **RSVP** via email at ethics@unl.edu by 1:00 pm, **February 6th**. Indicate dietary restrictions. Also, feel free to bring a lunch or just enjoy the conversation.
